WORK EXPERIENCE

Liability & Fund Management Department (Operations), Prime Finance & Investment Limited – Dhaka, Bangladesh

Assistant Officer

[01/07/2025 – Current]

Executive

[18/08/2024 – 30/06/2025]

- Managed institutional fund and liability operations using financial modeling tools, Power BI dashboards, and internal MIS/ERP systems, maintaining approval workflows, compliance checklists, and audit trails under regulatory frameworks.
- Planned and monitored SME and institutional funding pipelines through cash-flow forecasting models, CRM platforms, and portfolio monitoring tools, integrating liquidity planning, exposure tracking, and risk-screening criteria.
- Analyzed interest rate movements, sector performance indicators, and repayment data using structured datasets and reporting tools to assess fund utilization, support allocation decisions, and mitigate operational and credit risk.

RSME Department, Prime Finance & Investment Limited – Dhaka, Bangladesh

Relationship Manager

[02/05/2023 – 17/08/2024]

- Structured SME credit facilities by integrating cash-flow forecasting, credit assessment templates, and material risk indicators into internal credit evaluation workflows to support risk-adjusted financing decisions.
- Utilized CRM analytics, portfolio monitoring tools, and credit review reports to translate qualitative governance information, such as management structure and business continuity planning, into documented risk assessment inputs for portfolio oversight.
- Supported credit approval processes by preparing documentation and analysis aligned with internal credit committee requirements, regulatory compliance standards, and impact-oriented funding guidelines.

General Banking Division, Dhaka Bank Limited – Dhaka, Bangladesh

Address: Gulshan Corporate Branch, Dhaka (Bangladesh)

Intern

[01/10/2022 – 31/12/2022]

- Conducted an internal study on HPWS and HRIS using survey data, interviews, and basic statistical analysis to assess organizational performance, process efficiency, and governance implications.
- Supported digital recruitment and ethical fund remittance operations by applying gamification techniques, maintaining compliance documentation, and ensuring transparency in cross-functional financial and HR workflows.
