ABOUT ME

Finance and marketing professional with over three years of client advisory and portfolio management experience in Bangladesh's financial sector, seeking to transition into international brand positioning and marketing strategy. Brings analytical fluency across Power BI, CRM platforms, and structured financial modelling, complemented by a sustained research interest in cross-cultural consumer behaviour and international brand strategy.

WORK EXPERIENCE

Liability & Fund Management Department (Operations), Prime Finance & Investment Limited

City: Dhaka | **Country:** Bangladesh

[01/07/2025 – Current] **Assistant Officer**

[18/08/2024 – 30/06/2025] **Executive**

- Ensured regulatory compliance by preparing CTR/STR and goAML reports in accordance with central bank guidelines, collaborating with audit teams on ESG-linked instruments, and identifying variations across client groups.
- Managed SME and institutional funding pipelines through cash-flow forecasting and exposure tracking tools, structuring client data to support sales strategy development.
- Integrated financial performance metrics into actionable portfolio insights using Power BI and ERP/MIS systems, enhancing data visualisation and analytical decision-making capabilities.

RSME Department, Prime Finance & Investment Limited

City: Dhaka | **Country:** Bangladesh

[02/05/2023 – 17/08/2024] **Relationship Manager**

- Prepared regulatory-compliant presentations and reports for credit committees and audit stakeholders, communicating complex financial analysis to non-specialist audiences.
- Devised tailored investment and financing solutions for SME and institutional clients through credit assessment and risk evaluation.
- Translated qualitative client intelligence into strategic segmentation inputs using CRM analytics and portfolio monitoring tools.

General Banking Division, Dhaka Bank Limited

Address: Gulshan Corporate Branch, Dhaka, Bangladesh

[01/10/2022 – 31/12/2022] **Intern**

- Conducted quantitative research on High-Performance Work Systems (HPWS) and HRIS using SmartPLS Structural Equation Modelling, assessing cross-cultural limitations of global HR frameworks in the domestic domain.

Shaheed Bir Uttam Lt Anwar Girls' College

Final grade: GPA: 4.50 OUT OF 5.00

Business Concentration

UNDERGRADUATE RESEARCH PROJECT

The impact of High-Performance Work Systems and HRIS on employee performance.

Investigated HPWS and HRIS impacts on employee performance and organizational efficiency in a commercial bank using mixed methods (n=50 surveys across five departments, interviews, and SmartPLS SEM). Findings revealed that internationally designed frameworks yield divergent outcomes in Bangladesh, driven by cultural and regulatory mediating factors.

LANGUAGE PROFICIENCY

[28/12/2024] **IELTS (International English Language Testing System)**

Overall Band Score: 5.5 (CEFR Level B2)

Listening: 5.0, Reading: 4.5, Writing: 5.5, Speaking: 6.0
